Snow Blowers

HUSQVARNA SNOW BLOWERS

A man wearing a dark jacket and a beanie is operating a red Husqvarna snow blower. The machine is pushing a large pile of snow, and a powerful stream of snow is being blown out of the chute. The background shows a line of evergreen trees under a clear sky.

POWER THROUGH THE TOUGHEST WINTER STORMS.

When you own a Husqvarna snow blower, you can't wait for the snow. Premium engines, precision controls, heavy-duty construction and comfortable operation help power you through any winter.

Single Stage 100 Series

Two Stage 200 Series

Two Stage 300 Series

Exclusive Husqvarna Engines Built to Last.

Engineered for extreme winter applications, Husqvarna engines are the new generation of power. Tested at sub-zero ($< -32^{\circ}\text{C}$) environments, they run smoother, longer and more efficiently. Designed with convenient features, intuitive controls and quick-response safety features, Husqvarna engines blow through the toughest winter conditions.

Husqvarna Engines Feature

- 120 V Electric Starter
- Easy-to-Use Controls
- Extreme Weather Engineering
- Oversized Fuel Cap with Tether Cord
- Integrated Throttle
- Heater Box
- Convenient High-Mount Oil Fill
- Comfortable, Oversized Rubber Grip
- Safety Key Pull Switch
- Special Overfill Fuel Tank

**Husqvarna 5 & 5
Exclusive Guarantee**

5 Year Engine
Warranty

5 Year Guaranteed
to Start Warranty (GS)

If the Husqvarna GS (Guaranteed to Start) engine will not start on the first or second pull, provided the routine maintenance required in the Operator's Manual has been performed, and no fuel was left in the snow blower between seasons as noted in the Operator's Manual, then the engine is covered for 5 years and will be replaced or repaired at no cost to the consumer.

TWO STAGE 300 SERIES | HEAVY DUTY

Tackle the toughest winter conditions.

Husqvarna 300 Series snow blowers are designed for land-owners who need high-capacity, durability and maneuverability in all snow conditions. They feature hydrostatic transmission, power steering for smooth operation and heavy-duty components for maximum durability to tackle the toughest winter conditions.

- Power Steering
- Premium Control Cables
- Quiet Muffler
- Cast Iron Gearbox & Impeller
- Up to 3.6 Litre Fuel Capacity
- Electric Starter

POWERFUL CAST IRON IMPELLER

The industry's only 4-blade impeller is a more effective solution for delivering deep and heavy snow up the chute.

DURABLE RIBBON AUGER

Improves the mix of snow and air making the snow easier to handle. Thicker steel improves stability and durability.

POWERFUL LED HEADLIGHT

The long-lasting LED headlight provides greater visibility in low light conditions and increases the safety of the operator at night.

3 YEAR
LIMITED PRODUCT
WARRANTY

10 YEAR
LIMITED GEAR BOX
WARRANTY

300 Series snow blowers are powered by Husqvarna brand engines and backed by an industry-leading warranty.
See page 3 for details.

Husqvarna 5&5 Year Warranty:

- **5 YEARS** Warranty on Engine
- **5 YEARS** Guaranteed to Start Warranty (GS)

ADDITIONAL FEATURES:

EFFICIENT POWER STEERING

Choose drive/traction on either left or right wheel to improve maneuverability, efficiency and reduce operator fatigue.

ADJUSTABLE SKID SHOES

Composite skid shoes provide smoother operation and reduce damage to delicate surfaces. Steel skid shoes are also included.

STRONG CAST IRON GEARBOX WITH 10 YEAR WARRANTY

Improves the durability of your machine, requires less servicing and provides more stable operation in all conditions.

All features mentioned are not applicable for all models.

TWO STAGE 200 SERIES | MEDIUM DUTY

Clear the way after big winter snowfalls.

Designed for homeowners who need a high-performance snow blower with the capacity to clear snow from large driveways and paths, 200 Series machines are ideal for medium duty and occasional use in all snow conditions. Improved ergonomic design, adjustable handle with heated hand grips, multi-function dashboard and adjustable skid shoes provide optimum comfort and convenience.

- Power Steering
- Premium Control Cables
- Quiet Muffler
- Aluminum Gearbox
- Up to 3.6 Litre Fuel Capacity (ST 230P)
- Bolted Auger Housing

ST 224P

IMPROVED CONTROL PANEL

Within easy reach is the variable drive speed control, chute controls and heated handle switch, all supported by our structurally reinforced loop handles.

DURABLE RIBBON AUGER

Improves the mix of snow and air making the snow easier to handle. Thicker steel improves stability and durability.

ADJUSTABLE HANDLE

The handle is height-adjustable in 3 steps, providing comfortable operation that means less strain for the operator.

3 YEAR

LIMITED PRODUCT WARRANTY

5 YEAR

LIMITED GEAR BOX WARRANTY

200 Series snow blowers are powered by Husqvarna brand engines and backed by an industry-leading warranty.

See page 3 for details.

Husqvarna 5&5 Year Warranty:

- 5 YEARS Warranty on Engine
- 5 YEARS Guaranteed to Start Warranty (GS)

THE INDUSTRY'S FIRST ADJUSTABLE HANDLE WITH HEATED HAND GRIPS

ADDITIONAL FEATURES:

DUAL LED LIGHTS

With two high-performing LED headlights you'll be able to work more effectively in stormy weather and low light conditions.

ADJUSTABLE SKID SHOES

Composite skid shoes provide smoother operation and reduce damage to delicate surfaces.

All features mentioned are not applicable for all models.

SINGLE STAGE 100 SERIES | LIGHT DUTY

Helping you handle winter with ease.

Husqvarna's new compact and high-performing single stage snow blowers are ideal for driveways and paths. Easy maneuverability, an innovative remote chute rotator, dual LED lighting and powerful engines with electric start help you take the bite out of winter snowfalls.

- **Premium Control Cables with Silicone Liner to Prevent Freezing**
- **Powerful 208 cc Engine** (select models)
- **1.5 Litre Fuel Capacity for Longer Run Time**
- **Capable of Throwing Snow 45 Feet**

ST 151

CONVENIENT ELECTRIC STARTER

The engine can be plugged in and started by pushing a button (instead of pulling the cord) for easy starting in all weather conditions.

REMOTE CHUTE ROTATOR

The newly-designed chute rotator provides a more simplified and convenient way to control snow distribution.

ADJUSTABLE-HEIGHT HANDLE BAR

With three positions to choose from, operating the snow blower is more comfortable and storage is quick and easy.

3 YEAR

LIMITED PRODUCT WARRANTY

5 YEAR

LIMITED ENGINE WARRANTY WITH QUIET MUFFLER TECHNOLOGY

100 Series snow blowers are powered by Husqvarna brand engines and backed by an industry-leading warranty.

See page 3 for details.

Husqvarna 5&5 Year Warranty:

- 5 YEARS Warranty on Engine
- 5 YEARS Guaranteed to Start Warranty (GS)

ADDITIONAL FEATURES:

DUAL LED LIGHTS

With two high-performing LED headlights you'll be able to work more effectively in stormy weather and low light conditions. (ST151 only)

FORGIVING RUBBER AUGER

Now it's possible to clear snow from delicate surfaces such as paved areas and wooden terraces without worrying about causing damage or scratches in the surface. Also, the new ground scraper is rounded for smoother operation.

All features mentioned are not applicable for all models.
