

Husqvarna®

READY WHEN YOU ARE

HUSQVARNA SNOW BLOWERS

POWER THROUGH THE TOUGHEST WINTER STORMS.

When you own a Husqvarna snow blower, you can't wait for the snow. Premium engines, precision controls, heavy-duty construction and comfortable operation help power you through any winter.

Two Stage 400 Series

Two Stage 300 Series

Two Stage 200 Series

EXCLUSIVE HUSQVARNA ENGINES BUILT TO LAST

Engineered for extreme winter applications, Husqvarna engines are the new generation of power. Tested in sub-zero ($<-32^{\circ}\text{C}$) environments, they run smoother, longer and more efficiently. Designed with convenient features, intuitive controls and quick-response safety features, Husqvarna engines blow through the toughest winter conditions.

HUSQVARNA ENGINES FEATURES

- 120 V Electric Starter
- Easy-to-Use Controls
- Extreme Weather Engineering
- Oversized Fuel Cap with Tether Cord
- Integrated Throttle
- Heater Box
- Convenient High-Mount Oil Fill
- Comfortable, Oversized Rubber Grip
- Safety Key Pull Switch
- Special Overfill Fuel Tank

HUSQVARNA 5&5 EXCLUSIVE GUARANTEE

5 Year Engine Warranty | 5 Year Guaranteed to Start Warranty (GS)

If the Husqvarna GS (Guaranteed to Start) engine will not start on the first or second pull, provided the routine maintenance required in the Operator's Manual has been performed and no fuel was left in the snow blower between seasons as noted in the Operator's Manual, then the engine is covered for 5 years and will be replaced or repaired at no cost to the consumer.

TWO STAGE 400 SERIES COMMERCIAL SUPPORT FOR THE TOUGHEST JOBS

HEAVY-DUTY

Designed for commercial operators, Husqvarna's 400 series snow blowers provide the durability and maneuverability required to manage the roughest sidewalks, driveways, or common areas on the seasons heaviest snow days. In addition, 400T series snow blowers are the only snow blower to combine the convenience of EFI technology with rough terrain tackling track systems.

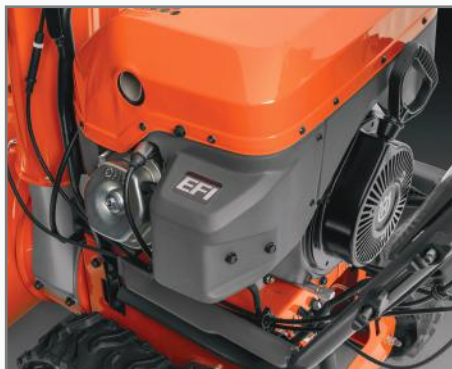

- Power Steering
- Key Electric Start
- Powerful LED Work Light
- Cast Iron Gearbox & Impeller
- Available in Wheeled or Track Models

ST 427

ELECTRONIC FUEL INJECTED ENGINES

Provide increased fuel efficiency, steady power, and low maintenance.

HYDROSTATIC TRANSMISSION

Infinitely variable speeds which performs well in rough terrain.

ALL STEEL OPERATOR CONSOLE

No plastic in operator console increases durability and fit / feel / finish.

3 YEAR
LIMITED PRODUCT
WARRANTY

10 YEAR
LIMITED GEARBOX
WARRANTY

400 Series snow blowers are powered by Husqvarna brand engines and backed by an industry-leading warranty.
See Husqvarna.com for details.

Husqvarna 5&5 Year Warranty:

- **5 YEARS** Warranty on Engine
- **5 YEARS** Guaranteed to Start Warranty (GS)

ADDITIONAL FEATURES:

EFI AND ELECTRIC START

Provides an easy-to-start engine and consistent power and engine RPM throughout the job.

ADJUSTABLE SKID SHOES

Heavy-duty metal skid shoes provide durability for long lasting operation.

STRONG CAST IRON GEARBOX WITH 10 YEAR WARRANTY

Improves the durability of your machine, requires less servicing and provides more stable operation in all conditions.

400 SERIES
TRACK MODELS**
ST 424T,
ST 427T,
ST 430T

All features mentioned are not applicable for all models.

TWO STAGE 300 SERIES COMMERCIAL CAPABILITY FOR HOMEOWNERS

HEAVY-DUTY

The new 300 Series offers several performance upgrades including a new high capacity belt system and new friction drive. Ergonomic and comfort features include improved heated handles, a looped handle for better maneuverability, and an industry first height adjustable handle. In addition, the cast iron auger gearbox, 14" auger and tie support provide enhanced durability.

- Loop Handle
- Friction Drive System
- Height Adjustable Handle
- Cast Iron Auger Gearbox
- Cast Iron Impeller

ST 327

LOOP HANDLE AND HEATED HAND GRIPS

The loop handle provides improved grip and control, while the heated handles ensure comfortable operation in harsh conditions.

HEIGHT ADJUSTABLE HANDLE

The industry-exclusive adjustable handle can be set at 4 different heights maximizing operator comfort.

POWERFUL CAST IRON IMPELLER

The industry's only single piece cast iron 4-blade impeller is a more effective solution for moving deep and heavy snow up the chute.

3 YEAR
LIMITED PRODUCT
WARRANTY

10 YEAR
LIMITED GEARBOX
WARRANTY

300 Series snow blowers are powered by Husqvarna brand engines and backed by an industry-leading warranty.

See Husqvarna.com for details.

Husqvarna 5&5 Year Warranty:

- **5 YEARS** Warranty on Engine
- **5 YEARS** Guaranteed to Start Warranty (GS)

ADDITIONAL FEATURES:

HIGH CAPACITY BELT SYSTEM

The new high capacity belt system is designed to provide higher power for extra capability in heavy snow.

HEAVY-DUTY AUGER HOUSING

Durable construction materials ensure reliable operation, efficient clearing and long product lifetime.

FRICTION DRIVE

New and improved friction drive system performs well in wet conditions, allowing you to get the job done faster and more efficiently.

All features mentioned are not applicable for all models.

TWO STAGE 200 SERIES CLEAR THE WAY AFTER BIG WINTER SNOWFALLS

MEDIUM-DUTY

Designed for homeowners who need a high-performance snow blower with the capacity to clear snow from large driveways and paths, 200 Series machines are ideal for medium duty and occasional use in all snow conditions. Improved ergonomic design, adjustable handle with heated hand grips, multi-function dashboard and adjustable skid shoes provide optimum comfort and convenience.

- Power Steering*
- Premium Control Cables
- Aluminum Gearbox
- Up to 3.6 Liter Fuel Capacity†

*Select models. †ST 230P.

ST 224

IMPROVED CONTROL PANEL

Within easy reach are the variable drive speed control, chute controls and heated handle switch, all supported by our structurally reinforced loop handles.

DURABLE RIBBON AUGER

Improves the mix of snow and air making the snow easier to handle. Thicker steel improves stability and durability.

ADJUSTABLE HANDLE

The industry exclusive handle is height-adjustable in 4 steps, providing comfortable operation that means less strain for the operator.

3 YEAR
LIMITED PRODUCT
WARRANTY

5 YEAR
LIMITED GEARBOX
WARRANTY

200 Series snow blowers are powered by Husqvarna brand engines and backed by an industry-leading warranty.
See Husqvarna.com for details.

Husqvarna 5&5 Year Warranty:

- **5 YEARS** Warranty on Engine
- **5 YEARS** Guaranteed to Start Warranty (GS)

INDUSTRY EXCLUSIVE ADJUSTABLE HANDLE WITH HEATED HAND GRIPS

ADDITIONAL FEATURES:

DUAL LED LIGHTS

With two high-performing LED headlights you'll be able to work more effectively in stormy weather and low light conditions.

SKID SHOES

Composite skid shoes provide smoother operation and reduce damage to delicate surfaces, plus they are both adjustable and reversible.

All features mentioned are not applicable for all models.
